

**Help Your Child Become a Music Maker!**

**Music Makers: Around The World**

**Ages 7-9**

Part 2 of our two-year sequential program builds on the music making foundation we started in Part 1. This year focuses on your child's fascination with similarities and differences of people around the world.

Music Makers, Year Two:

- Explores the music of the British Isles, Germany, and our own Amerindian and African American Heritage
- Features songs, dances, stories, rituals, and customs of these cultures to help your children understand themselves and others
- Builds skills in listening, singing, playing instruments, as well as expressive movement and dance
- Offers age-appropriate steps to develop music literacy, symbolic thinking, concentration, memory, and self-expression
- Develops ensemble and instrument playing to prepare them for instrumental study

By seeking Musikgarten education for your children you are providing them the opportunity to gain a lifetime of benefits and enjoyment. Your child is now at an age where he/she is ready to take bigger steps toward music playing, singing, reading, and writing.
